

## Penitents.

The most profitable and reliable business—advertising.

Athena shipped about 120 head of beef cattle South last week.

Charles King, of McMinn county, lost 20 head of fine sheep by the freshet.

T. L. Farrell's daughter was drowned in a branch of Sewee, McMinn county, last week.

A good advertisement is like a bill of fare at a hotel—one does not know how many good things one is in need of until he reads it over.

In tearing down an old house in Shiloh, a gentleman found a rat's nest made out of United States fractional currency. There were pieces of fifty cents and smaller notes.

The Sweetwater Enterprise says: W. U. Upton lost fifty head of cattle on Ross' Island, and Latimore's 500 bushels of corn. It figures up the loss of Monroe county, by the recent flood, at \$250,000.

Said a Missouri preacher: "There's a powerful sight of giggling back that in the corner, and it's got to be stopped, or the Lord will delegate me to open the door and throw some one out!" It was stopped.

The old frame store building on Market Square, the property of Mr. Ira Lovelace, is being torn down, and we understand is to be replaced by a large two story brick building, to be occupied by him as a family grocery.

School Inspector to urbin: "Now, Johnny, how many can you count?" Johnny: "One, two, three, four, five, six, seven, eight, nine, ten." "Good, Johnny, go on." Johnny (after a moment's thought): "Jack, queen, king, ace."

Three boys came near drowning at Chattanooga, on the 5th inst. They started out hunting in a leaky boat, and it was with difficulty that one of them was rescued from his perilous condition. The other two just managed to swim ashore.

The announcement is made by the Army and Navy Journal that General Sherman has yielded to the solicitations of his friends, and, instead of leaving as a legacy to his family, the diary, the concluding chapter of which was published in the Journal of September 26, 1874, has consented to its immediate publication.

Madisonville items, Sweetwater Enterprise: A child of Mr. Fox White was accidentally struck on the head with a hoe one day week before last, and a serious wound inflicted.

We learn that a little girl living on Bat Creek, was standing before the fire on the night after the storm, when her dress caught on fire and she was seriously burned.

Sweetwater Enterprise says: We understand that a good many families in the mountain portion of this county are suffering from the want of bread and meat. It is reported that there is not provisions enough in that portion of the county to last until another crop is made. Such hard times as the people, throughout the country, are now experiencing has not been known for many years.

Greenville American: A literary journal, entitled "The Moshem Review," will begin publication about the first of April. The mountains are again covered with snow. People down the country may look out for another freshet before the spring is over. Wheat is represented as looking well throughout the country, and in some localities as looking fine for this time of the year.

Sheriff Swan, with assistants, left Thursday in charge of the prisoners convicted at the last term of the Criminal Court for Nashville. There were six in number, as follows: Hurly Martin, 13 years in penitentiary; Sel Brummet, 3 years; George Nelson, 3 years; Charles Broyles (colored), 3 years; Bill Patterson alias Bill Williams (colored), 5 years; and Kate Carson (colored), 1 year.

Thursday morning, quite a crowd of men were seen standing together on the pavement in the neighborhood of the McGhee Block, when a policeman's attention was called to it by a wag, who asked him if he had not heard a pistol fire in that direction. The officer said no, and rushed among the crowd, only to find them quietly discussing some item of news, probably the Beecher-Tilton affair or the Louisville Lottery.

Bristol News: Dr. R. A. Houck died of pneumonia last Saturday at Poor Hill. He was aged about 30 or 35, and had only some two months ago removed thither from Bean's Station, Tenn. Peter Hicks, the black giant, who has been long depreeding on the public, stole two shoulders of bacon yesterday in broad day-light from Keebler & Williams. Mr. Keebler saw it under his Indian blanket, and the chap goes now to Blountville jail.

The members of the M. E. Church raised, in three days, by subscription, \$2,000 towards their new church. From the plans talked of by them, we judge they will have the handsomest church in this end of the State.

The students of the Academy are now issuing a semi-monthly (MSS) paper. With the intention, we suppose, of becoming editors of country newspapers (so-called), which seems to be the greatest ambition of the rising generation. Greenville American.

The Chattanooga Times, of the 6th, says: "If any one thinks that the citizens of Chattanooga are discouraged let them take a look at the business going on. Market street is as lively as ever. In an hour after the water went off the floors, business was resumed as though nothing had happened. There is no crying or whining, but all are cheerful. 'We will protect ourselves against a repetition of the late disaster and go ahead' is the common expression." That is good pluck. "Go ahead."

Kingston East Tennessee: About 4,000 bushels of corn was lost from Half Moon Island by the recent high water. A couple flat boats loaded with corn and other produce, were accidentally sunk in Clinch river last week—one near Brasher's Island, and the other a few miles beyond. In addition to the "kuklux" so-called, that were lodged in the jail last week, several other accessions were received last Friday from the neighborhood of Winter's Gap, swelling the number that now occupy that institution to twenty-two.

## NEW HAMPSHIRE.

## Republican Majority in Legislature, which will Elect Cheney.

CONCORD, N. H., March 11.—Returns from all but 8 towns of the State have been received at the Associated Press office here. The footings of these towns are as follows: 250 towns and wards give Cheney (Rep.) 53,771; Roberts (Dem.) 38,088; White (temperance) and scattering, 678. The same towns last year gave McArthur (Rep.) 43,860; Weston (Dem.) 35,263; Blackmer (temperance), and scattering, 2,077. Republican net gain, 2,827; Cheney's minority 595. The towns yet to be heard from gave last year: McArthur, 281; Weston, 318; scattering 7. Adding last year's vote in these towns, makes the Republican net gain 2,788, and Cheney's minority 634.

The footings from the First Congressional District elect Jones (Dem.), by 472 plurality; Bell (Dem.), in the Second District, by 154 plurality; and Blair (Rep.), in the Third District, by 749 plurality. Estimating four towns in Coos county not returned to give the same vote as last year, the Republicans have a majority in the House, but the exact figures can not be given. They claim a majority of from 6 to 12. The footings of the several Senatorial Districts indicate that they stand 5 Republicans, 5 Democrats, and 2 Districts having no choice.

There is no election of Governor by the people, and the duty of selection will be devolved upon the Legislature, which will doubtless elect Cheney, the Republican candidate.

The Democrats claim a majority in the Council, though the districts have not been figured sufficiently to determine finally. The vote in the State yesterday is said to have been the largest ever polled.

## WASHINGTON.

## Alabama Claims.

WASHINGTON, March 11.—Gen. Sheldon yesterday received the appointment as Assistant Counsel for the United States before the Court of Commissioners of Alabama Claims, and will at once proceed to New Orleans, to take charge of the business in that portion of the country.

Paymaster Boggs is dead.

A Line or Two About Gordon and Lamar.

Senator Gordon, of Ga., and Representative Lamar, of Miss., have returned from New Hampshire.

The Boston Herald (Independent Republican) says editorially: "The speeches made by Messrs. Gordon and Lamar in New Hampshire can not fail to do good. The Southern question has been too exclusively discussed in the North by Northern men. We welcome to New England such representatives of Southern men as Messrs. Gordon and Lamar. They speak the sentiments of intelligent white citizens of the South; their evidence should quiet the apprehensions of the North that if the Southern States are allowed to govern themselves, they will, in some way, deprive the colored people of their political rights, if they do not remand them to slavery."

"These gentlemen tell the people of New Hampshire that the turbulence in the South can be entirely from corrupt government, and that the political rights of the negro can never be taken away from him, and that the talk of a new rebellion is absurd. Northern men have been going through New Hampshire proclaiming the danger of another rebellion and the reversion of the results of the war in relation to the negro. These who listen to Messrs. Gordon and Lamar can not fail to be satisfied when they want local self-government. It would not be a party question how long we keep States wrong side up by Federal bayonets."

"We wish that Messrs. Gordon and Lamar could extend their travels and speeches in New England and without any party trammels whatever. They could do much to convince our people that the time had come to secure local government to the South, and that we are preparing a challenge that will surely sooner or later be pressed to our own lips. The question is vital to us as well as the South. We can not sustain free institutions in one section while trampling them down in another. We must maintain liberty for all, or submit to a despotism which will deny the rights alike to all."

Confirmations. Attorney-General Williams decides that duties accrue on the 8th of February, the day on which the tariff bill was signed. The Senate caucus resolved to make no changes in Senate employees.

Confirmations: Comdr. Marshal Northern District of Florida; Woodworth, Supervising Surgeon Marine Hospitals; Shoats, Sixth Auditor; Brag, Appraiser Merchandise; Charleston S. C.; Manning, Collector Customs, Albernore, N. C.; Fitzhugh, Collector Customs, Natchez; Smith, Collector Customs, Memphis; Belvin, Pension Agent, Raleigh.

No Southern nominations.

Military Changes. General Auger has been ordered to New Orleans to succeed General Emory; Gen. Ord to San Antonio, to succeed Gen. Auger; Gen. Crook to the Department of the Plate to succeed Gen. Ord; Gen. Kautz takes command in Arizona as Gen. Crook's successor. These changes indicate the retirement of Gen. Emory at present in command in Louisiana.

Treasury Matters. The call for bonds for the sinking fund was made to day by Secretary Bristow.

More About Senator Gordon.

CONCORD, N. H., March 9.—via WASHINGTON, March 11.—After Senator Gordon had finished his speech last night, many Federal soldiers who had fought against him came upon the stage and greeted him warmly.

FOREIGN NEWS.

PARIS, March 11.—The Courier de France reports that M. DuPuy has drawn up a programme of policy for the new Ministry, the leading features of which are as follows: The Assembly on meeting after the Easter holidays to vote the budget; the Senatorial elections to be held next September; the dissolution of the Assembly to follow in October; the Government to demand the maintenance of the present electoral system and to raise the state of siege in all the departments except the Seine, the Rhone and the branches of the Rhone.

LONDON, March 11.—The jury found Lady Mordaunt guilty of adultery.

A Berlin correspondent telegraphs that Germany has asked Italy whether she will continue to exempt the Pope from the obligations of law, and complains that he is now abusing the liberty given him for the purpose of fomenting rebellion in Germany.

**DR. TUTTS' EXPECTORANT**

The ghastly record of deaths that result from pulmonary affections is frightful. There is no disease that is so insidious in its attacks as consumption. By the neglect of "slight colds" they soon become deep seated and defies remedies which, if applied at the outset, would have averted all danger. Dr. Tutts' Expectorant has proven itself the most valuable Lung Balm ever discovered. A DISTINGUISHED CLERGYMAN of New York pronounces it the "greatest blessing of the nineteenth century." "A family should be without it." It is pleasant to the taste, and a single dose will often remove the most obstinate cough. Office, 18 Murray Street, New York.

They purify the blood, remove all obstructions and restore the diseased system to perfect health. A-AN ANTIDOTE TO CHILLS AND FEVER, they have no equal. FOR DYSPEPSIA, they are a specific. FOR SICK HEADACHE AND BILIOUS COLIC, they are a sure cure. FOR CONSTIPATION, RHEUMATISM, PILES, PALPITATION OF THE HEART, PAIN IN THE SIDE, BACK AND LOINS, NERVOUSNESS, a positive remedy. FOR FEMALE IRREGULARITIES, without a rival. When one does not "feel very well," a single dose stimulates the stomach and bowels, restores the appetite and imparts vigor to the system. Sold everywhere. Office, 18 Murray Street, New York.
